Green Auditing Report

FACULTY OF ARCHITECTURE & PLANNING, CVM UNIVERSITY **Shantaben Manubhai Patel School of Studies & Research in** **Architecture and Interior Design (SMAID)**

Introduction about college: SMAID - Shantaben Manubhai Patel School of Studies & Research in Architecture and Interior Design is a dream venture of Late Dr C L Patel, Chairman of CVM (1994-2017) which aims to provide creative learning environment for various branches of Design Education. The Institution is located in the satellite township christened as New Vallabh Vidyanagar. It is a peaceful setup on a lush green belt of the region.

SMAID made a humble beginning in June 2012 with its 5-years *Bachelor in Architecture* Program with an intake of 40 seats and 4-years *Bachelor of Interior Design* Program with an annual intake of 40 seats affiliated to Sardar Patel University. In the year 2017, *Bachelor in Planning* begun to be offered at the institute. The Institution has a state-of-the-art Infrastructure with a conducive environment for imparting Design education - fully equipped with modern ergonomically designed furniture in Studio, Audio Visual Rooms, Material Museum, Computer Labs., Resource Centre, Work Shops, Multi-Purpose Room, Arena Theater, Canteen and a beautifully designed Landscape with lush green campus - a setting just apt for Design Education. SMAID now conducts 3-Undergraduate and 2-Postgraduate programs in various disciplines related to built-environment.

Since the academic year 2020-21, all programs are offered under the CVM University. In the current transition phase, the institute justifies the requirements for the Sardar Patel University (for already enrolled students) and manages for the mandates and procedures of the CVM University. Under the provisions of CVM University, the students from NIOS board also become eligible to study in the programs offered at the institution. Under the CVM University, two Post-graduate programs – *Master of Interior Design* and *Master of Planning (Urban & Regional Planning)* is being offered since the year 2020 with an intake of 10 students.

The Institution has a state of art Infrastructure with a conducive environment for Design education - fully equipped with modern ergonomically designed furniture in Studio, Audio Visual Rooms, Material Museum, Computer Labs, Resource Centre, Work Shops, Multi-Purpose Room, Amphitheatre, Canteen Boys and Girls room, Staff Room, Souvenir Shop, Model Making and Model Display Room and a beautifully designed Landscape with lush green campus - a setting just apt for Design Education.

Following section of the report contains the requisite details as on records at SMAID.

Further break-up of above records available at the institute – data generated through Google form responded by students and staff members. Also, the records are linked for viewing at:

(https://docs.google.com/spreadsheets/d/1e8epYnbCQf98MP1xKtNf0YhhJcjpacq_F03J4RLMlpk/edit?usp=sharing)

At every event, the guests – dignitaries – invitees are given away with welcome gift / memento as a sapling of a tree towards contribution in plantation. Photographs attached as Annexure – 2. The gifts / memento saplings are wrapped in jute / paper / earthen pot of oxygen producing trees like Neem, Arjun, Banyan and plants like – snake plant, Areca palm, Aloe Vera and so on.

3. Organic waste generated or not?

Provision of Waste disposal of different wastage like paper food, plastic, biodegradable, construction, glass etc. and its recycling are currently not provided.

Other solid waste like canteen garbage (waste food) and plastic is dumped into the ground as land fill. The institute has Compost pit (Photograph below in North side garden).

(a) Manure pit in existing condition

4. Minimized use of Plastics (Polythene, Thermocol, PVC).

In our campus plastics Polythene are 'banned' and PVC related material is not used. Students use jute, timber, plywood, vegetation, paper, natural model-making materials and so on while preparation of submissions and exercises. These materials are either sent for recycling or disposed off back in nature.

Also, proposal for bind incinerator to burn plastic waste submitted to the CVM – approval is awaited.

5. Solid garbage

Solid waste - garbage is removed manually every day. Swiping and cleaning schedules at all places are allocated as in ANNEXURE – I on weekly bases and submitted online to CVM for further records.

At the institute, SMAID practices re-use of paper sheets and other reusable material as practiced by students in their academic and co-curricular activities.

There are around **266 kg** last year wastepaper is sold to the Scrap dealer - Kamda Raddi Center, Vallabh Vidyanagar for recycling. Receipt of sale is available at institute records. *Institute has in record – Receipt no. 628, dated – 17/02/2022 received by cheque for saling of wastepaper.*

Regarding biomedical waste, at SMAID, an incinerator is installed in the female room. It is used by females at the campus as and when needed. Hence, at SMAID, biomedical waste is burnt to ash straight. Below are snaps of the same.

(a) Female restroom on First floor

(b) Incinerator in washroom

(c) Incinerator

6. Rejected computer, printers, keyboards etc. in working or not working condition have been given back to CVM store. The institute has instructions displayed and E-waste collection through computer centre (Below photographs).

The reverted e-waste to the Charutar Vidya Mandal is available at institute in record file with list of computer parts, peripherals along with approved submitted note.

- Letter no. CVMU/Est/30/2022/146-A dated 12/02/2022 – certificate
- Letter no. SMAID/07/2022/23 dated 12/01/2022 – e-waste scrap submission

3	Second	113	120	11	1	2	0	1
	Total	411	358+7	33	16	29+15	33	11+2

There is replacement of tube light, ceiling fans / exhaust fans, CFL units when non-functional round the year.

Latest and highly efficient power saver equipment/ appliances are not installed at present. Existing Window Air-Conditioning (AC) units are 1-star rating.

13. Currently, we are not using incandescent lamps in our campus.

14. Right now, college is not using solar energy. The institute is to propose for installation of Rooftop Solar panels to harvest energy through budgetary provisions

15. Recently, Faculty of Architecture & Planning – SMAID has not procured fans, refrigerators, and air conditioners with low energy consumption. The proposal for

upgradation of these equipment is existing in the budget for further approval and procurement over a period of time.

- 16. Water conservation:** There is no constructed rainwater harvesting mechanism installed however, the storm drains from the terrace reaches to the ground floor and water passes to garden / green spaces in surrounding of college building to seep through ground towards water harvesting. The roots of grass and plantation in garden / green spaces allow holding of soil and seepage of water by obstructing quick runoff.
- 17.** In college there is no use of solar energy, bio-fuel, biogas, CNG at present. College canteen has *M/s. Charotar Sahkari Gas Company* supply available through pipeline. Except canteen, there is no use of gas or any other form of fuel for routine operations.
- 18.** Some facilities like railing, rest room, first aid box with all necessary items is available in college. We have provision of lift but not installed as so for such a need did not arise. Below are photographs showing first aid box and suggestion / complaint box.

(a) First aid at Administration Block

(b) Complaint box at Administration Block

- 19.** College is taking adequate steps for sensitizing students and staff about energy conservation, environment and pollution hazards. There are many subjects taught under which awareness is created for environment.
- 20.** College celebrates environment day by tree plantation with students, faculties, and honorable guests. Sometimes poster making competitions are also held. Press note published in local newspaper with a photograph for the year 2021 is as below:

ચાણેતર વિદ્યામંડળ યુનિવર્સિટી સંચાલિત શાંતાબેન મનુભાઈ પટેલ સ્કૂલ ઓફ સ્ટડીઝ એન્ડ રિસર્ચ ઓફ આકિટ્રેક્ટચર એન્ડ ઈન્ટિરિયર ડિઝાઈન કોલેજ, ન્યુ વિદ્યાનગરમાં વિશ્વ પર્યાવરણ ડે ની ઉજવણી કરવામાં આવી. જેમાં કોલેજના ટીચિંગ અને નોન ટીચિંગ સ્ટાફે ઉત્સાહ પૂર્વક ભાગ લીધો હતો. કોલેજના આચાર્ય પ્રોફ. જયોતિ ગિલે આભાર વ્યક્ત કર્યો હતો.
