## NOTICE

### **PRECAUTIONS AGAINST NOVEL COVID-19 INFECTION**

With relapse of covid-19 infection with different variants, the situation is worsening. While the academic activities are on going in the campus, all the students and staff members at SMAID are instructed to **STRICTLY FOLLOW** the below, while their presence in campus; and off-campus ensuring safeguarding oneself and others.

1. Wear mask at all the times
2. Maintain social distance while attending classes, discussions, juries, informal seating places within campus
3. Do not gather/cluster without maintaining distances
4. Avoid handshake / hug / high-five / contact
5. Get your temperature checked and recorded every day, at least once at the reception desk
6. Use sanitizers frequently, keep personal vessels for frequent use
7. Avoid eating by sitting in groups
8. Keep washing hands frequently
9. Avoid touching nose, mouth with bare hands (if not sanitized)
10. While off the campus, follow the government guidelines – save yourself and others by keeping away from infection
11. Ensure completion of two-dosage of vaccine at the earliest, if pending.
12. Keep a track of your movements and people you have met
13. Avoid touching surfaces of furniture / books elsewhere if unnecessary – sanitize hands if unavoidable

**Keep healthy, eat healthy, stay safe and keep all safe – keep excelling.**
