Date: 17/02/2022

Notice

All students – all branches

All students are to remain within campus on all Saturday. The students who are to make site / office visits outside the campus on Saturday, need to collect an application form from the administration and get it signed – approved in advance to compensate biometric attendance at a later stage to avoid less attendance in campus. Non-presence in campus and non-submission of application under approval will be considered Absent for Saturday if the biometric punch is not recorded. The approval will be done by subject teacher / faculty advisor and higher rank officers.
